*** NOTE *** There could be more 4 Year Varsity Players than are Listed in the "Prior to 1990 Player Group".

Check out the players that I have listed on the 2 Master Lists at:

<http://hartbaseballstats.com/HARTMAAL.pdf> <- Alphabetical List of all Players since 1948

<http://hartbaseballstats.com/HARTMAYR.pdf> <- All Players each team, each Year since 1948

The Players in the 2 Lists were players who appeared in the Hart High School Yearbook Team Photos.

The Team Photos were generally taken at the start of the Baseball Season, thus the Freshman or JV players that were brought up to the Varsity Roster anytime after the Team Photos were taken, would not be credited for the actual start year.

As you can see in the above 2 lists, there were numerous players on teams who played from 1948 to 1986, that played 3 years. Many of these players could have played on the Varsity in their Freshman year.

If anyone can give me the players name and year he should be credited for, please contact me at:

mikegaber@att.net

Also in the: - <http://hartbaseballstats.com/HARTMAYR.pdf> - I don't have all the players who played in the 1957 and 1974 years: Please help me out if you know of any missing players
