## TEAM - HART 1987 - 2009 TEAM Record for Most Hits in a Game is 25

HARTMOST.WK4  
/o 4/05/08

Hart set 3 records in a 29-0 game against Golden Valley on 4/4/08. AB's 50, Runs, 29, Hits 25 and tied RBI record of 25.

Most of the Hart Team and Individual game records tend to be against Burbank, mainly because we play them a lot but mostly because they have a ball park that's conducive to high scores and they haven't had very good teams down through the years.

Not suprisingly Hart has performed the feat 15 times and 5 of those games were against Burbank.

Hart had 23 Hits against Canyon in 1987 in a 27-2 rout, scoring 14 runs in the 4th. This was when Canyon was in the Golden League.

Of the 5 times recording over 20 Hits against Burbank only the 1999 game was played at Hart when they romped 19-1.

The game against La Salle in 1989 was in the first round of the playoffs with Hart winning 23-4, when Ray Gardocki hit for the cycle.

Here is the list of 14 games where Hart got 20 or more hits in a game.

## TEAM - HART 1987 - 2009 TEAM Record Tied Sacrifice Flies in a Game = 3

HARTMOST.WK4  
/o 5/24/07

The 3 sacrifice flies against Golden Valley on 4/2/2008 tied a team record set 8 times previously. Thats the 2nd time for 3 sac flies in 2008

Hart had a chance for a 4th in that game but got a popup to short. The 1998 game against Valencia was a 13-11 thriller wi n for Hart.

3 sac flies were first recorded in 1988 against Las Vegas Nevada in a Easter tourney in Vagas.

Again in 1988 against Arroyo Grande in a 18-3 playoff game that gave Hart a record of 26-0 at that time.

(They lost their next game 12-7 and were eliminated by Fullerton).

They got 3 more against El Segundo in 1989 in a 12-11 game were they scored 5 runs in the bottom of the 7th to pull it out.

(They went to the Final game at Dodger Stadium that year losing to Cerritos 4-1).

In 1994 in the opening playoff round they did it again against Culver City winning 12-2.

They got to the quarter finals that year but lost at Rio Mesa 1-0 on a "sac fly" in the bottom of the 9th inning.

(Live by the sword, die by the sword).

**TEAM - HART 1987 - 2009 TEAM Record Tied - Most Putouts in a Game - 33**HARTMOST, WK4  
/o 5/24/07

This Team Record requires an extra inning game. In this case 11 full innings. Hart had a titanic 11 inning struggle quarter final playoff game against Corona Centennial. Hart lost that one. On 4/20/2004 Hart tied Saugus 6-6. This game would have set a record of at least 36 putouts however it was called after 11 innings for darkness, 2 weeks after daylight savings time began.
