in one of the season's most sensational plays, Steve Nemback helped to perpetrate the fire of Varsity Baseball games! For the third year Wally Hammond coached another fantastic Hart baseball team on to a season of triumph after triumph. Not only did we have great coaching but the large number of outstanding players were also an asset.

Among those were infield captain Chris Jackman, outfield captain Merle Taylor and pitchers Alan Cusick, Steve West and Hal Jeffrey (a new addition to this year's team). This year's success was not attributed to the work of a single person, but to the combined effort of a team which strived together.

Row 1: D. Kissee, R. Rose, C. Chavez, C. Jackman, J. Sanders, and G. Duncan. Row 2: Matt Arnold, manager, D. Austin, M. Taylor, W. Peters, A. Cusick, J. McMahon, L. Fiscus. Row 3: M. Wolf, M. Wilder, S. Nemback, D. Skophammer, S. West, T. Jack, and Coach Hammond. Great spirit prevailed during this year's baseball season.
