

# 1993 HART VARSITY BASEBALL

# OVER THE FENCE

## THE BIG HITS APPEAR EARLY ON

Start the season off right. According to the the varsity baseball players, there hasn't been any one player to carry them through the games. It has taken hardwork and effort.

Every team has highlights of the season and this one is no exception. Senior Jared Bentley said, "In a practice game I hit my first home run." Junior Eric Spindt also remembered that and said, "Jared hit a homerun off of Coach Bud Murray during a rough practice."

Some early season highlights included beating Saugus and first appearances in varsity

games.

Getting to be a good team also takes spirit and group support. "Everyone on the team pulls for each other. We all get along well and we hope for the best for our teammates," said Junior Brian Ballew. Aaron Dear, a junior, added, " It doesn't matter who you are when you're at the plate or in the field, everyone is behind you 100% and it helps to know that the whole team is on your side. It gives you confidence and with confidence comes better performance."

Whistle Stop Photography

Senior Allan Ray is taking his turn at bat. The team backs everyone in their effort while in the batter's box.

Coach Murray is keeping a close eye on the team and their plays. His support of the team has helped many go on to be collegiate players.
